

IFRS Master Class

The IFRS Master Class is designed with the idea to help participants to understand IFRS and to apply it in their organizations. During the Master Class training, you will be familiarized with the IFRS standards using the practical examples, encountered in our own practice, and we will enable you to apply IFRS to your own financial report.

The full IFRS Master Class consists of 9 modules with duration of 4 hours each, except for the fifth module that consists of 2 sessions with duration of 4 hours each.

You could subscribe to the full IFRS Master Class or you may also choose to subscribe to individual modules based on specific training requirement.

Who is it for?

The IFRS Master Class is designed for professionals with a background in finance having a responsibility in the accounting, reporting and/or controlling area. Basic accounting knowledge and experience is required in order to use the knowledge offered during this Master Class.

Why is this relevant to you and your company?

The IFRS Master Class is relevant to finance employees of companies reporting (or planning to report) under IFRS.

Who are the trainers?

The trainers are professionals from the PwC Assurance Services that are using the IFRS standards assisting clients with IFRS transitions and/or complex IFRS accounting topics on a daily basis.
